MillerKnoll for Outdoor

At MillerKnoll, we know that outdoor settings should serve as an extension of the best aspects of the workplace—fostering connection, collaboration, and a sense of place.

By combining timeless design with modern innovation, our diverse portfolio of furniture contributes to a sense of continuity between indoors and out, bringing comfort and durability to open-air settings of every scale.

Why MillerKnoll

With MillerKnoll, you can maximize the potential of your space while minimizing the complexity of furnishing it.

You'll benefit from our insights and experience in creating places where people want to be, as well as design that delivers without compromising on what matters most to you and your people. And we provide all of this through a streamlined process that reduces the complexity that can lead to higher costs.
